CHARGED WITH TRYING TO INFLUENCE TALESMAN

C. T. Lewis Sentenced to Jail for Ten Days, and L. R. Carter Fined \$50 and Costs by Judge Ward.

[Special to The Times-Dispatch.] Weldon, N. C., April 2.—Judge Ward, in Halifax Superior Court, this morning imposed a fine of \$50 and costs on L. R. Carter, and a sentence of ten days in jail on C. T. Lewis, for attempting to influence a juror in the trial of the murder of Charles W. Dunn.

In obedience to the rule issued by Judge Ward yesterday, L. R. Carter, of Scotland Neck, and C. T. Lewis, of Palmyra, appeared in court this morning. The evidence of Daniel was that

Carter and Lewis approached him, knowing him to be a special venireman, and said that Powell was a very man, and that people up there wanted to hang him, and then said, "If you are taken on the jury, do all you can for Powell."

The defendants alleged that the conversation occurred before they knew that Daniel was a venireman, but when cross-examined by W. E. Daniel, for the State, they could not explain why they should ask Daniel to do all he could for the defendant, provided he was taken on the jury, without knowledge of the fact that they were talking to a venireman, and they were adjudged guilty.

Judge Ward, in imposing the fine on Carter, said: "I would send you to jail but for the fact that your mother died yesterday."

FATHER ACCEPTS WORD OF HIS SON

Arrest of Staunton Cadet Leads to Sensational Developments.

[Special to The Times-Dispatch.]

Staunton, Va., April 2.—The arrest and imprisonment of young C. N. Nagle, of Austin, Tex., a cadet at the Staunton Military Academy, on a warrant sworn out by the cashier of the Augusta National Bank, are developing sensational features. The father of the youth, N. J. Nagle, arrived this morning. He accepted his son's denial of all knowledge of the affair, and will attempt to prove his innocence.

The case will come up before the police justice Monday morning for preliminary hearing. Charles Curry, attorney for the youth, had an argument this morning with some of the officials of the academy over the affair, and there came near being an encounter. Both the school and the bank are friendly toward the boy, and the bank has no desire to prosecute it made whole, but that there is anything to make good on his part, or the boy's part, claiming the latter's innocence. It is claimed that the cashier of the bank, who is the father of the boy, is a member of the committee to fill the vacancy caused by the resignation of George S. Shadler, of Orange County, who resigned to accept a position as circuit judge in the Ninth Judicial Circuit.

LODGED IN DANVILLE JAIL.

Negroes Charged With Killing Sid Woods Removed from Martinsville.

[Special to The Times-Dispatch.]

Danville, Va., April 2.—Jailers, Tom Bailey and Nat Penn, all colored, of Winston, N. C., were brought here from Martinsville this afternoon and lodged in the Danville jail. They are charged with the killing of Sid Woods, colored, also of Winston, on an excursion train between Martinsville and Roanoke Easter Monday night. The negroes were returning to Winston on the excursion, and when a short distance west of Martinsville a free-for-all fight began, and in the excitement Woods, who was acting as peacemaker, was cut and slashed considerably, falling to the floor dead. The negroes were drinking heavily.

SUIT AGAINST MERGER.

Stockholders Bring Action Against Consolidated Company.

[Special to The Times-Dispatch.]

Lynchburg, Va., April 2.—R. W. Winfree, who is the first named complainant in a suit instituted to-day in Danville, in which the recent merger of the River and Dan River Cotton Mill Companies, in that city, is attacked, stated to-day that the suit is based upon the fact that the River-side stockholders were required to surrender their common stock and given in lieu thereof preferred stock of the Consolidated. Mr. Winfree stated that eight or ten local stockholders, together with a Danville and a Charlottesville holder, all representing about 1,500 shares, are complainant parties to the litigation. The attorneys retained to attack the merger are Harrison & Long, Coleman & Coleman and A. B. Percy—all of Lynchburg.

BOY SHOTS HIS SISTER.

Accident Is Serious, but Will Probably Not Prove Fatal.

[Special to The Times-Dispatch.]

Norfolk, Va., April 2.—While target practicing with a twenty-two-calibre Flobert rifle in the backyard of his parents' residence in Brambleton, this afternoon, William Carley accidentally shot and seriously, if not fatally, wounded his little nine-year-old sister, Teresa Carley. They are children of Mr. and Mrs. Robert J. Carley, residing at No. 211 South Reservoir Avenue. It seems that young William Carley, thirteen years of age, took his rifle out into the backyard for target practice. The little girl went with him, and just as he was about to fire Teresa ran between the rifle and the gun, and the bullet struck her in the abdomen, going to the backbone.

The child was removed to St. Vincent's hospital, where everything known to medical science was done for her. The attending physicians do not think that any of the vital organs were touched by the bullet.

Mr. Carley, the father, is a well known printer, being connected at present with the Landmark.

INTEREST CENTRES IN HARRIS TRIAL

Case Against Slayer of Editor Thompson Removed to Prince William.

[Special to The Times-Dispatch.]

Manassas, Va., April 2.—The April term of the Circuit Court of Prince William county will convene on Monday, with Judge J. B. Thornton presiding.

There is a large civil and criminal docket, and the term of court will probably be the longest the county has seen in the month. The trial of J. H. McIntee, who has been indicted for shooting at his brother, Robt. L. McIntee, with intent to kill, is set for trial on Tuesday. The case of the Commonwealth against Robt. L. McIntee, who is charged with an attempted murder of J. H. McIntee, was set for the same date, but Robt. McIntee has not been apprehended since his escape from the jail of this county several weeks ago.

The greatest interest will centre in the case of the Commonwealth against Prof. J. D. Harris, who is to be put on trial at this term of the court for the killing of Editor Thompson, at Warrenton, last spring.

Harris was indicted by a grand jury in Fauquier county, and was placed on trial for his life at the September, 1909, term of Fauquier county Circuit Court. The jury in the case returned a verdict of guilty, and fixed Harris's punishment at four years in the penitentiary. The case was taken to the Court of Appeals on a writ of error, and the judgment of the lower court reversed, because of its refusal to allow the introduction of certain evidence offered by the defendant at the trial of his case.

Upon the defendant's motion for a change of venue, Judge Turner removed the case to the Circuit Court of this county. J. A. C. Keith, Commonwealth's attorney for Fauquier county; Robert A. McIntyre and H. Thornton Davies, Commonwealth's attorneys for this county, will represent the prosecution, while Harris will be defended by Marshall McCormick, R. E. Byrd, G. Latham Fletcher, Robt. A. Hutchison and T. E. Garrett.

Aged Woman Burns to Death.

[Special to The Times-Dispatch.]

Fayetteville, N. C., April 2.—The charred body of Mrs. Kate Howell, an aged woman, was this afternoon found near her home in Carvers Creek township of this county, where she had met her death fighting a forest fire Thursday. James Darden, a neighbor, heard her screams, but fighting to save his own home, could not investigate.

Yurnakes—Moore.

[Special to The Times-Dispatch.]

Lynchburg, Va., April 2.—Thursday night the Richmond Academy, Mason M. Moore, Twelfth Street, Miss Gertrude M. Moore was married to Alexander M. Yurnakes, of Roanoke, Dr. J. A. Thomas, pastor of Centenary Methodist Church, was the minister.

Backache—Cloudy Urine

are caused by kidney disease, and it will prove fatal if not attended to at once. Read the unsolicited testimonial of Mr. W. F. Anderson. He suffered untold misery from kidney and liver disease for years before he took

WARNER'S SAFE CURE

the great remedy for the Kidneys, Liver, Bladder and Blood. One bottle cured him, and he has had no return of the trouble for 12 years. He wrote recently:

"About twelve years ago I was bothered with my kidneys and liver, having pains in different parts of the body, especially in damp weather, and it became so that my neighbors would ask me when it was going to rain. At times I could not get about. I tried plasters and medicine, but only got relief for a day or so. A friend sent me word that he had something that would cure me. I sent and got it—it was WARNER'S SAFE CURE. Before I took half a bottle I was better. That one bottle cured me, and for 12 years I have had no symptoms of the misery I had before I took the medicine. I would advise all that are in need of a medicine for the kidneys, liver, bladder or blood to take Warner's Safe Cure. When \$1.00 will keep one up for 12 years, it certainly is worth trying."—W. F. Anderson, Mt. Carmel, S. C.
